2.				The Office of Special Investigations has asked if one Robert Turner Wallace was employed or otherwise associated with CIA from 1950-1955. Mr. Wallace was a State Department officer in Amman who apparently handled Soobzokov's visa application. Although the DDO has stated it has no record on Wallace, I'd like a response from OS before I respond to OSI. Would you see if you have any record of any contact with Wallace? A bio summary is attached.
